FRET : SCONCE

Wall Sconce

A smooth half-cylinder of lacquered sheet metal, waterjet-cut with a fine quatrefoil, over a white opal glass diffuser. The cut field stops an inch short of every edge, leaving the solid border band that marks every FRET piece. Four inches off the wall, so it meets ADA out of the box.

SIZE	14" H × 6" W, projects 4"
MOUNTING	Standard 4" junction box, hardwired, ADA
LAMPING	Integrated LED 2700K 90 CRI, 0–10V and ELV dimming, field-replaceable module, UL damp
LISTING	UL dry location standard; damp or wet on request
FINISHES	Satin Brass · Polished Nickel · Blackened Steel
